

Put the Works Cited page on its own page at the end of your document

Centre the title and do not italicize.

Space your text the same as the rest of your document, whether single or double-spacing.

Keep margins the same as the rest of your document at 1"

Create hanging indents by indenting 0.5" the second and following lines of each source.

Capitalize author names and all words in titles except for prepositions (on, in, of), articles (a, an, the), and conjunctions (but, and, or).

Use quotation marks for titles of works within a larger work, like articles, chapters, and songs.

Use italics for titles of larger works like books, journals, and magazines.
